Bard Of The Deal: The Poetry Of Donald Trump

Synopsis

From award-winning reporter and author of *Pieces of Intelligence: The Existential Poetry of Donald H. Rumsfeld* comes this collection of poems mined from the interviews, speeches, and tweets of Republican presidential candidate Donald Trump. *The Vicious Ones* I was attacked viciously By those women, Of course, it's very hard for them To attack me on looks, Because I'm so good looking. But I was attacked very viciously By those women. --August 9, 2015, NBC's Meet the Press

Straight from the mouth of the Donald himself, this treasury of spoken poetry "not a word is changed" has been culled from nearly 30 years of interviews, speeches, tweets, and ramblings from Presidential candidate and billionaire Donald Trump. Since the 1980s, Trump has built his verses like his casinos, using only the highest quality words and phrases, regardless of cost. He's run a real estate empire, achieved a net worth of ten billion dollars, scripted best-sellers, and starred in the top-rated TV show *The Apprentice*. Like a colossus, he bestrides the cultural world as if it were the bottle-strewn boardwalk of Atlantic City. But until now, Trump's poetry "delivered spontaneously in moments of enduring clarity" has gone unnoticed, (making it the only aspect of Trump to be that way.) On a regular basis, The Donald speaks, tweets and hollers his verses "always without the needless restrictions of political correctness and grammar | because among world class poets, there don't be no grammar, there only be truth | big time! Whether you're a Trump debunker or admirer, *The Bard of the Deal* will delight, shock, and entertain you. So prepare to be Trumped by the ten billion dollar poetry of the ten billion dollar bard. This is the art of the poem.

Customer Reviews

Whether you are a fan of Donald or you hate him, this is a brilliant and very, very funny book. I laughed so hard at some of these poems I thought I might get a hernia or some major injury trying to breathe. I would vote for him simply for the entertainment value he would provide.

Absolutely hilarious quotes, with citations so you can re-watch history of one of the "brightest" minds on earth.

This book is tremendous. It will sell tremendously well, believe me. Believe me. I mean, can you believe it? This book might even do as well as "The Art of the Deal".- John Miller
