# Complete Guide To Making A Movie

## **Synopsis**

These are just some of the questions you'll find answered in *The Complete Guide to Making a Movie*. All filmmakers need to understand each and every step of the production process. This guide walks you through the entire production process, from preproduction to postproduction, including a, step-by-step listing of the duties and responsibilities of each crew member. A clear understanding of how the budget level of a production will impact the production process is emphasized throughout. Ultimately, readers gain a clear understanding of each step of the production process and how these processes can differ depending on the budget. *The Complete Guide to Making a Movie* discusses both the process involved in making a film or video, along with the various people filmmakers will encounter in each area. These include:<sup>\*</sup> Budgeting<sup>\*</sup> Script breakdown and scheduling<sup>\*</sup> The production team and office<sup>\*</sup> The director's team<sup>\*</sup> Casting and actors<sup>\*</sup> The art, camera, and sound departments<sup>\*</sup> Special effects<sup>\*</sup> Wardrobe, makeup and hair<sup>\*</sup> Locations and the transportation department<sup>\*</sup> Production and editing<sup>\*</sup> Music and titlesA FREE one-of-a-kind CD contains many of the production forms movie and video makers will encounter. Blank versions of every form mentioned in the text are included, helping readers put what they have learned in the text into practice.
