Crushing Small Stakes Poker Tournaments Volume 02

Synopsis

This poker book made up entirely of 50 unique hand examples taken from small stake, fast structured No Limit Hold'Em tournaments, which is the most common game Jonathan Little's students play on a regular basis. Most poker players start by playing small buy-in events at local casinos or online poker rooms and end up losing a lot of money because they fail to learn the optimal strategy to beat this game. You will discover that almost all of your major decisions are made before the flop in small stake live tournaments. The hand examples presented will all discuss preflop situations. Allow Jonathan Little, a two time World Poker Tour champion with over \$5,800,000 in live tournament winnings, to show you how to transform your game so you can quickly move up to the high stake games, even if you don't have a large bankroll right now. If you study all the hand examples in Volume 1-14, you will learn how to tackle over 700 individual preflop situations you will encounter on a regular basis at the table, allowing you to effortlessly make optimal decisions in the heat of battle. For a more in depth discussion on tournament poker, please look into Secrets of Professional Tournament Poker, Volumes 1-3.

Customer Reviews

I am really enjoying this series on small stakes poker tourneys. The concepts on preflop play are

very interesting to see.

I Would recommend this to anyone who is serious about poker and wants to improve there game. Jonathan little does a great job teaching.

Is the best way to practice and advance in poker. Excellent Book. Is a practical approach to the real game issues.

This item was much like vol.1 In fact, I am not sure if the cover was changed I could tell the difference. I am extremely wary of moving forward with the rest of the volumes. The insert of V.1 and V.2 both say the same thing. I was hoping that additional volumes would cover more than preflop but at this point I am not sure that they will. Until I can find out otherwise no further purchases will be made.Unfortunate cuz Little hit such a home run with secrets of tournament series V.1, 2 and 3. I am getting started with V. 3 now and it is shaping up to be a delicious read. These "crushing small stakes" things...not so much.

Jonathan Little hits another homerun, already one of poker's most trusted authors. If you are trying to improve you tournament game read his books!
